Software License Agreement for Legato® based products

IMPORTANT – DOWNLOAD, INSTALLATION AND USE OF THE SOFTWARE IS SUBJECT TO THE FOLLOWING LICENSE RESTRICTIONS.

Sierra Wireless Inc., on its own behalf and on behalf of its Affiliates ("Sierra Wireless") will allow you to download, install and use the Software on the condition that you accept all of the terms of this Agreement. By downloading, installing and/or using the Software, you, as licensee of the Sierra Wireless Software ("Licensee"), indicate that you have read, understood and accepted the provisions of this Agreement, and that you have authority to enter into this Agreement on your own behalf or on behalf of the legal entity that you represent. Sierra Wireless and Licensee are collectively referred to as the "Parties" or individually as a "Party".

* *

TERMS AND CONDITIONS

1.   Definitions

"Affiliates" means any company where votes and/or capital is fifty percent (50%) or more controlled directly or indirectly by a Party.

"Confidential Information" shall mean all information and material contained within, related to or about the Software or its environment which is disclosed or provided by Sierra Wireless to the Licensee in each Party's performance of its obligations under this Agreement, and any information which relates to or is derived therefrom, whether in tangible, intangible, oral, written, machine readable or human readable form.

"Contractor" shall mean any third party, including but not limited to original device manufacturers, who Licensee engages for the purpose of such third party performing services for the benefit of Licensee in connection with this Agreement.

"Software" shall mean the software provided by Sierra Wireless as described in Appendix A including application framework, Linux distribution and development tools and any updates and associated documentation made available by Sierra Wireless.

"Licensee Software" shall mean the Licensee's software owned and developed by the Licensee which either exists in the Licensee's product before executing this Agreement or is modified or created with the Software under this Agreement and which is to be embedded in the Sierra Wireless Product or provided in object code to Licensee's customers, in either case to be used in conjunction with a Sierra Wireless Product.

"Licensee Product" shall mean the product of the Licensee which incorporates a Sierra Wireless Product.

"Object Code" shall mean the elements of the Software, specified in Appendix A, supplied by Sierra Wireless in object, library or binary format under this Agreement, as Sierra Wireless's sole option.

"Open Source Software" shall mean any software licensed under
(i) any version of the GNU General Public License or GNU Lesser General Public License issued by the
Free Software Foundation, Inc.;
(ii) a license identifying itself as a "free software" or an "open source software" license;
(iii) a license listed at www.opensource.org/licenses/, or a derivative license thereof; or
(iv) any other license or agreements with terms and conditions similar to the foregoing which require either Party to (a) disclose or distribute to any third party all or part of the source code or object code of the Software, Licensee Software and/or derivative works thereof, (b) license all or part of the Software, Licensee Software and/or derivative works thereof to any third party for any purpose, (c) license any Intellectual Property Rights owned or controlled by either Party to any third party for any purpose, or (d) limit either Party's ability to freely enforce any Intellectual Property Right owned or controlled by said Party against any third party.

"Open Source Software License Terms" shall mean terms in any license that is generally embedded with the Open Source Software and require as a condition of use, modification and/or distribution that the software subject to such terms contaminate by his own license or terms any program linked to it. As example, GPL or GPL v2 are Open Source Software License Terms.

"Pre-Built Image" shall mean image built and packaged by Sierra Wireless composed of Object Code and Source Code. These Pre-Built Images, specified in Appendix A, are systematically delivered by Sierra Wireless with all required components necessary for Licensee to rebuild these software images and manage the licenses of each separate components.

"Sierra Wireless Product" shall mean any hardware product within the Sierra Wireless product portfolio.

"Source Code" shall mean the elements of the Software distributed by Sierra Wireless in human-readable computer language format, subject to and governed by their own license terms. Some Open Source Software shall be included in such format.

2.   Limited License

2.1 Scope of the Limited License Granted on:

(a) The Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license. Subject to the terms and conditions of this Agreement, Sierra Wireless hereby grants to Licensee and Licensee hereby accepts the free of charge, limited, internal, nonexclusive, revocable, nontransferable license (without right to authorize sublicenses) to use, modify and copy the elements of the Software provided in Object Code or Source Code under proprietary license solely for the purpose of: i) testing and evaluating the elements of the Software provided in Object Code; ii) enabling the Licensee to develop and adapt the Licensee Software to the Sierra Wireless Product with the Object Code; and (iii) distributing to Licensee's customers the Licensee Software for the purpose of using it in conjunction with the Licensee Products which incorporate a Sierra Wireless Product.

(b) The Source Code of Open Source Software shall be governed by the relevant licenses specified in Open Source Licenses document.

(c) Contractors may exercise the licenses set forth in this section 2.1 on behalf of and for the benefit of Licensee provided that: (i) Sierra Wireless is notified in advance and approves each Contractor(i) Contractor's use and access to the Software is subject to the terms and conditions of this Agreement; and (ii) any breach of this Agreement by Contractor is considered Licensee's breach of this Agreement, and Licensee shall be liable for such breach to the same extent as if it committed the breach itself.

2.2 License Restrictions. The limited licenses granted to Licensee in section 2.1 are subject to, and Licensee shall itself respect, and impose on its customers if applicable, the following restrictions:
(a) only use the Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license with Sierra Wireless Products for Licensee's business purposes as expressly authorized in this Agreement, and for no other purpose;
(b) not make any commercial use of part or all of the elements of the Object Code or the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license on a standalone basis;
(c) only make the Object Code and the Source Code copyrighted

by Sierra Wireless or Qualcomm under proprietary license available to its own employees who have a need to access it according to the licensing terms of this Agreement;

(d) not sublicense, sell, assign, rent, lease or otherwise transfer, in whole or in part, the Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license, this Agreement or the rights under it;

(e) not reverse-assemble, reverse-compile, reverse-engineer the Object Code;

(f) reproduce and not remove, amend, obscure or cover any copyright or proprietary right notices placed on Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license;

(g) maintain in confidence the Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license and any other information provided by Sierra Wireless, unless otherwise agreed in this Agreement;

(h) not perform any actions with regard to the Object Code and the Source Code copyrighted by Sierra Wireless or Qualcomm under proprietary license in a manner that would require the Object Code to be licensed under Open Source Software License Terms. These actions include but are not limited to combining the Object Code with Open Source Software, by means of incorporation or linking or otherwise

(i) comply with all applicable laws in performing its obligations hereunder and obtain all necessary permits and governmental permissions required to perform its obligations under this Agreement; and

(j) not knowingly distribute the Software to any person who infringes Sierra Wireless' rights in respect of the Software.

2.3 Licensee Representations Licensee shall defend, hold harmless and indemnify Sierra Wireless from any and all suits, losses, expenses, damage or costs arising from or in connection with: (i) any violation or breach of the provisions of this section 2 by Licensee, its contractors, agents and customers; and/or (ii) any third party claims, including reasonable attorney's fees, arising from or in connection with the infringement of third party intellectual property rights.

2.4 Ownership. The Software is trade secret and copyright information of Sierra Wireless or third parties. All right, title, and interest in and to the intellectual property rights of Sierra Wireless or such third Parties are, and shall at all times remain, the sole and exclusive property of Sierra Wireless or the third party. By providing the Licensee with access to certain Object Codes and Source Codes, Sierra Wireless is not granting any license or immunity, or waiving any rights it may have with respect to patents, trademarks, copyrights or any other intellectual property rights enforceable under any country with respect to the Object

Code or Source Code. Except as otherwise expressly specified in this Agreement, no right, title or interest in any patents, trademarks, trade names or trade secrets, or in any pattern or design of the Software, shall pass to Licensee under this Agreement.

2.5 Records and Audits
Licensee shall itself keep and also cause its Affiliates to keep accurate and complete books and records concerning its sales of products containing whole or a part of the Software. Sierra Wireless may, no more than once each calendar year, cause an independent public accounting firm to conduct an audit on reasonable notice of Licensee's and its Affiliates applicable books and records and supporting information to confirm the products sold containing whole or a part of the Software. Such independent public accounting shall be bound in writing to maintain the confidentiality of and not disclose the contents of such records and books accessed, except to the extent necessary to disclose the results of the audit to Sierra Wireless, or as otherwise required by law or legal process. Any information so revealed to Sierra Wireless by the independent auditing representative shall be kept in confidence and used solely for the purpose of verifying Licensee's compliance with this Agreement. The cost of such audit shall be borne by Sierra Wireless, unless such audit determines that Licensee has not complied with its obligations hereunder in which case, Licensee shall pay the cost of such audit and, in addition, Licensee shall pay as liquidated damages the highest of either (i) five hundred thousand US dollars ($500,000.00), (ii) or five US Dollars ($5) per product sold containing whole or a part of the Software. Licensee shall preserve and maintain all such books and records required for audit for a period of five (5) years after the calendar quarter for which the books and records apply (but no more than two (2) years after any termination of this Agreement).

3. **Termination, Expiration**

3.1 This Agreement will continue, unless earlier terminated by Sierra Wireless upon written notification provided to Licensee at any time.

3.2 Upon termination or expiration of this Agreement, the Licensee will promptly stop whole or a part of the Software and all tangible materials and documentation relating thereto to Sierra Wireless or destroy them with evidence provided to Sierra Wireless.

3.3 Sections 2.2 – 2.5, 3.2, 4, 5, 6 and 7 shall survive the termination or expiration of this Agreement indefinitely.

4. **Disclaimer of Warranty**

4.1 THE LICENSEE ACKNOWLEDGES THAT THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY WARRANTY. SIERRA WIRELESS MAKES NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. THE THIRD PARTY(IES) OWNING THE THIRD PARTY SOFTWARE DISCLAIM(S) ALL WARRANTIES EXPRESS OR IMPLIED WITH RESPECT OF THE USE OF SUCH THIRD PARTY SOFTWARE IN CONNECTION WITH THE SOFTWARE.

4.2 Licensee hereby agrees that Sierra Wireless shall not provide Licensee with any support for the Software and Licensee acknowledges and agrees that it has no rights to any upgrades, modifications, enhancements or revisions that Sierra Wireless may make to the Software. In the event Licensee uses a fix version of a Sierra Wireless software provided by Sierra Wireless and identified by Sierra Wireless under the reference that starts from the last alphabet letter (Z then Y…), the Licensee acknowledges that this fix version is provided "AS IS" without any warranty of any kind and Sierra Wireless waives any responsibility resulting from the use of this fix version with the Software. Sierra Wireless makes no warranty that the Software is compatible with such fix version.

5. **LIMITATION/EXCLUSION OF LIABILITY**

5.1 SIERRA WIRELESS SHALL NOT BE LIABLE FOR ANY CLAIMS AGAINST THE LICENSEE BY ANY THIRD PARTY, NOR SHALL SIERRA WIRELESS BE LIABLE FOR ANY DIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES (INCLUDING LOSS OF PROFITS, INTERRUPTION OF BUSINESS), HOWEVER CAUSED, WHETHER FOR BREACH OF WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT SIERRA WIRELESS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5.2 Whole or a part of the Software shall not be used within any Life Support System without the specific prior written consent of Sierra Wireless. A "Life Support System" is a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury or death.

6. **Confidentiality**

To protect certain Confidential Information, which may be disclosed by Sierra Wireless to the Licensee, the Licensee hereby

agrees that:

(a) The Licensee shall not disclose Confidential Information to any third party individual, corporation, or other entity without the prior written consent of Sierra Wireless and shall limit its disclosure to its employees and approved Contractors having a need to know such information. The recipient shall protect the disclosed Confidential Information by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized dissemination or publication of the Confidential Information as the Licensee uses to protect its own confidential information of a like nature.

(b) The Licensee shall have a duty to protect only that Confidential Information which is: (i) disclosed by Sierra Wireless in writing and is marked as confidential, or with a similar legend, at the time of disclosure; or (ii) disclosed by Sierra Wireless in any other manner and is identified as confidential at the time of disclosure. Notwithstanding the above, Confidential Information may not be marked or identified as such and shall still be considered Confidential Information so long as it is treated as confidential at the time of disclosure, or at the time of disclosure is designated as confidential (or like designation), or is disclosed in circumstances of confidence, or would be understood by the parties exercising reasonable business judgment to be confidential, including information viewed or learned by a party during a visit to the other party's facilities.

(c) The obligations herein will not apply to any Confidential Information which is: (i) available to the public other than by breach of this Agreement by Licensee; (ii) rightfully received by Licensee from a third party without confidentiality limitations; (iii) independently developed by Licensee's employees without use of the Confidential Information or breach of this Agreement; (iv) known to Licensee prior to first receipt of same from Sierra Wireless, as evidenced in Licensee's records; or (v) is required to be disclosed pursuant to judicial order, lawful requirement of an administrative or governmental agency or by operation of law, but then only to the extent so ordered and provided recipient uses its best efforts to advise discloser at the earliest possible time prior to or immediately after such disclosure.

7.   General Provisions

7.1 <u>Entire Agreement, Amendment.</u> This Agreement sets forth the entire agreement between the Parties relating to its subject matter and supersedes all prior or contemporaneous agreements, warranties or representations, written or oral, between the Parties. No modifications, additions or deletions shall be binding upon either Party unless accepted in writing by an authorised representative of each Party. If any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason, such decision shall not affect the validity or enforceability of the remaining provisions of this Agreement.

7.2 <u>Non Waiver.</u> A waiver by either Party of any default shall not be deemed a waiver of future enforcement of that or any other term but shall apply solely to the instance to which the waiver is directed.

7.3 <u>Non Assignment.</u> The Licensee shall not assign, sublicense or otherwise transfer this Agreement or its rights and obligations under it.

7.4 <u>Controlling Law, Jurisdiction.</u> This Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein. The Parties shall use their best efforts to settle by way of direct negotiations any difference which may occur between them in connection with this Agreement. Any dispute or controversy arising between the Parties out of or in connection with this Agreement, whether during or after its term, shall be exclusively submitted to the exclusive jurisdiction of the commercial courts of Vancouver - BC - Canada.

Element Name	Type	Description
Developer Studio	Object Code	Developer Studio is delivered as Object Code in this package. A complete Open Source version of Developer Studio is available on source.sierrawireless.com
USB ECM driver	Object Code	Sierra Wireless AR and WP USB ECM driver
Legato Toolchain	Pre-Built Image	This Pre-Built Image contains of Object Code for platform specific components and Source Code for generic Yocto components. Refer to Legato Linux Distribution to find the detail list of components, licenses and formats
Legato Application Framework	Object Code	Legato Application Framework is delivered as Object Code in this package A complete Open Source version of the Legato Application Framework is available under MPL v2 license on legato.io
Legato Linux Distribution	Pre-Built Image	This Pre-Built Image contains of Object Code for platform specific components and Source Code for generic Yocto components. Refer to Legato Linux to find the detail list of components, licenses and formats
Module Firmware	Object Code	AR and WP firmware
Octave Edge Package	Object Code	Pre-built Legato apps enabling the Octave service
